

**TECHNICAL RESOURCE COMMITTEE MEETING
FRIDAY, AUGUST 25TH 8:30-10:00AM**

On July 13th, City Council approved a planning framework for the Bonanza Flat property. The framework included stakeholders which would officially participate in the process by providing either technical or jurisdictional input.

The approved technical resource committees are as follows:

- *Mountain Trails Foundation (MTF)*
- *Summit Land Conservancy (SLC)*
- *Citizens Open Space Advisory Committee (COSAC)*
- *Trails Utah*
- *Save our Canyons*
- *Wasatch Backcountry Alliance*

On Friday August 25th, we will be hosting the first technical resource meeting. It will mostly encapsulate the planning framework and timeline. It will also allow for a general discussion on preservation values and how each entity will provide input.

You have been identified as a contact for one of the organizations.

Please let me know if you can attend a meeting 8:30-10am, in City Council Chambers, 445 Marsac Avenue Park City, UT. 84060.

This meeting will be publically noticed.
